

KNOW YOUR AIR QUALITY NOW!

Get the air quality for your area using the Environmental Protection Agency's (EPA)

AirNow website!

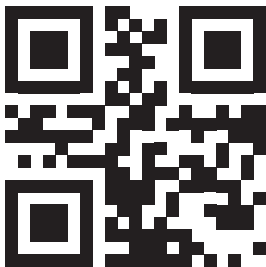

airnow.gov

A **color-coded Air Quality Index** (AQI) scale indicates your current air quality and forecast, provides info about groups affected by the level indicated, and gives steps you can take to reduce exposure.

Access the **AirNow AQI**
at airnow.gov or by
scanning the QR code!

- **Explore data for your area**
- **Download the AirNow Mobile App**
- **Add AirNow to your home screen**
- **Sign up to receive EnviroFlash email notifications**
